Wilmot Panthers Beat Lake Geneva 27-19; Play Delevan Friday

The Wilmot Panthers, with undisputed possession of third place in the Southern Lakes Conference through the defeat last Friday of Lake Geneva 27 to 19, will take on undefeated Delavan there tomorrow in an attempt to move to second place.

Delavan defeated Burlington Friday night 40 to 0, giving evidence that it will be no easy task.

Whitewater City, the only other undefeated team beat Troy 34 to 6 and already has defeated Wilmot.

Lake Geneva drew first blood in last Friday's game and it looked like a difficult evening for Coach Frank Bucci's boys, with the score 6 to 0, but the Panthers bounced back with a vengeance and led at the half 20 to 6.

Bill (Dutch) Haase, Panther fullback, led ground gainers with a total of 67 yards in nine carries. Dick Timmer, quarterback, passed for 106 yards and ran 33 yards. His 55-yard touchdown sprint was nullified by a penalty.

U. of I. Students in Ceramic Engineering Tour Pickard Plant

Senior engineering students from the University of Illinois toured the Pickard China Co. plant here Tuesday on their annual trip this week.

There were 12 seniors and one graduate student in the group of ceramic engineering students headed by R. L. Cook, J. A. Nelson, and R. J. Beals, members of the faculty. Antioch was the first place visited on the second of the five days the students spent on their tour. They came here from Aurora and from Antioch they went to Milwaukee where they spent the rest of the day.

At Pickards they saw the manufacture of the finest china in the world.

The students were Dr. R. Beebe, R. W. Cain, W. M. Faber, R. C. Hoffman, E. F. Karner, D. J. Kessel, M. L. Kummel, J. J. Meindl, R. G. Norsworthy, D. J. Romine, J. A. Trogolo, and G. E. Winter, undergraduates and R.R. Reschetz, graduate student.

Agricultural, aeronautical, chemical, electrical, general, mechanical, industrial and mining engineering students visited other areas that provided places for study of their special interests.

Miss Adams, 61, Dies at Nursing Home

Miss Mary Adams, 61, Wilmot, Wis., died this (Thursday) morning at a Camp Lake nursing home. Miss Adams was born July 18, 1895, in Richmond township, McHenry county. She lived in Burlington, Wis., for four years, moving to Wilmot 15 years ago. She was a member of Holy Name church and for ten years was employed as cook at the Union Free High School at Wilmot.

Survivors are a brother Aloysius and a sister, Miss Caroline Adams of Wilmot. Preceding her in death were her parents, Peter and Clara Krumpen Adams and a brother Raymond.

Funeral services will be held at 9:30 a. m. central standard time at Holy Name church. Interment will be at St. Joseph's cemetery at Richmond. Friends may call at the Strang funeral home after 8 p. m. Friday.

Milk Price for Sept. Down 3 Cents from 1955

Chicago—The Uniform (blend) price for Grade A farm milk delivered to plants in the 70-mile zone during September is \$3.82 a hundred.

This price, as announced by the Milk Market Administrator, is for milk testing 3.5 per cent butterfat and figures about 8 1/4 cents a quart to the farmer.

The \$3.82 is three cents below the August price this year and also three cents below September one year ago.

Quick Trip for Mail
One can get mail from abroad quicker than points a few miles distance. This was proved this week when George Borovicka got a card Wednesday morning that was mailed at noon Monday in Paris, France. It often takes two days to get mail posted in Milwaukee.

A forage harvester with the highest capacity of any in the world—45 tons an hour—was introduced recently by New Holland Machine company.

Musical Comedy Dance, High School Saturday

The "Dance Theatre 1956" sponsored by the Antioch Grade school PTA will be presented both at 3:30 p. m. and 8:30 p. m. Saturday in the auditorium of the Antioch Township High school.

The show is produced by Jimmy Barnes and Glen Roberts and features many types of dances performed by professionals in elaborate costumes and settings. It will be a musical comedy such as all can enjoy.

Nine Candidates for Channel Lake School Board of Education

Election Scheduled For Saturday, November 3 At School Building

Nine candidates are seeking the seven positions on the new enlarged board of education for Channel Lake School district.

Seeking election are the present members of the three-man board, Elmer E. Eberman, clerk; Vern E. Heath, president; and Edwin J. Huck, in order of their filing.

The other candidates are Dr. Stanley D. Anderson, Russell F. Roepenack, Mrs. Lucille Kueckenmeister, Mrs. Ruth Trussell, Charles Lee McKinney, and James W. Waters.

The election will take place on November 3 with voting at the school building starting at noon and ending at 7 p. m.

After the seven members are chosen, County Supt. W. C. Petty will meet with the new board which will elect officers. Tenure of each member will be determined by lot.

The seven-member board was ordered after a survey revealed that the population of the district was 1,080, which was 85 in excess of the number needed to require the larger board.

Salem Central Loses To Watertown 27-6; Plays Menomonee Falls

The winning ways of the Salem Central football team which started back in 1954 just couldn't last forever even though they vaulted over the unlucky 13 a week ago.

The Falcons lost to the undefeated Watertown Goslings there Friday 27 to 6.

A fumble on the Watertown one-yard line in the second quarter cost Salem a possible touchdown and appeared to be the crucial point of the game.

"If we had scored then it might have pepped up our defense," said Coach Cliff Peterson.

As it was, Watertown put together short plunges for three touchdowns. Their passing attack failed, but their constant battering of the Salem Central line paid off. Only once did the Goslings gain more than 10 yards and that was a 28-yard sprint by Roger Parish which put Watertown ahead 14 to 0.

A third touchdown in the third quarter made the score 21 to 0. The Falcons came right back, however, and after driving 60 yards, scored on Ronald Nelson's 29-yard pass to Dick Weber.

Central will play Menomonee Falls there tomorrow night. Menomonee has won one game and lost one game in league play this year, as have the Falcons.

Suffers Heart Ailment
Lawrence L. Grundy of East Loon Lake was taken to Victory Memorial Hospital early yesterday by the Antioch Rescue Squad after he suffered a heart attack. He is reported improved.

Delinquent Tax Lists Published

Delinquent tax lists for both Antioch and Lake Villa townships are found on pages 14 to 18 in this issue.

Copies are available at the Antioch News Office.

Sequoits Face Rams After Drowning Pirates At Palatine 32 to 7

Only One Game Saturday At Grayslake's Homecoming Day Contest

Don't mention it to Grayslake, but the Antioch Sequoits are planning to spoil the Homecoming for the Rams Saturday afternoon.

Fresh from a 32-7 victory over the Palatine Pirates at Palatine last week, the Antioch Braves are sounding the war cry in preparation to tumble the Rams from their undefeated lofty position in the Northwest Conference.

The Antioch players developed a team-work for which Coach Kessenich has been seeking and as the result dominated play at Palatine.

The first half of the game was all Antioch, the Sequoits traveling 200 yards on 11 first downs while the Pirates were held to 20 yards on two first downs.

Outstanding was the play of Jerry Huml at end, Earl Deppe at quarter, Bill Barnstable at half back, and Dave Mitchell at tackle.

Antioch wasted but little time in scoring. After Srch's 25-yard run, Lonnie Christianson caught a pass from Deppe for a 10-yard sprint to touchdown. Shortly thereafter Roger Plechaty scooped up a Palatine fumble and ran three yards for Antioch's second TD. Dick Srch converted.

The third touchdown came after Terry Horton recovered a fumble on the Palatine 40-yard line on the first play of the second period. Barnstable thereafter went over from the one-yard line. Featured in this scoring play was the 20-yard pass from Deppe to Barnstable and a 19-yard run by Deppe. Srch again converted, bringing the score to 20 to 0.

Srch crashed over from the 6-yard line to climax a 50-yard drive for the fourth TD. Christianson's 25-yard run set up this score.

Barnstable scored the fifth and final touchdown for Antioch on a 31-yard reverse play.

It wasn't until late in the fourth quarter that Norden of Palatine prevented a shutout for the Pirates by scoring from the four-yard line. He passed to Dick Wisner for the extra point.

Coach Kessenich gave his squad a rest Monday to recover from minor injuries. Tuesday they were listless, but yesterday were back in their fighting form and it is expected that they will give the Rams a good game Saturday. Kessenich is keeping his fingers crossed on injuries for his reserves are few.

Northwest Conference standings at the close of last week's play:

	Won	Lost	Tie
Grayslake	3	0	1
Glenbrook	3	0	1
Antioch	2	2	0
Palatine	2	2	0
Grant	2	2	0
Wauconda	2	2	0
Ela-Vernon	0	3	1
Fenton	0	3	1

Other Villages Plan Orderly Growth by Commission Control

During the past week Wauconda organized its planning commission to plan future growth of the village which is expected to double its present size in 10 years.

At the same time, Lake Zurich which already has a zoning board, and planning commission, set up a new architectural commission to deal with future architectural problems. Pea-pod houses and building not in harmony with the surroundings will be prevented.

Fox Lake, Libertyville, Mundelein, Deerfield, and other villages have followed the same course in trying to develop their communities in an orderly fashion.

The Lake County Zoning Board of Appeals recently took a stand against placing industry in business and residential areas by refusing to rezone land at the corner of Rte. 173 and Rte. 41. The problem of growth is as serious for the rural areas as for villages.

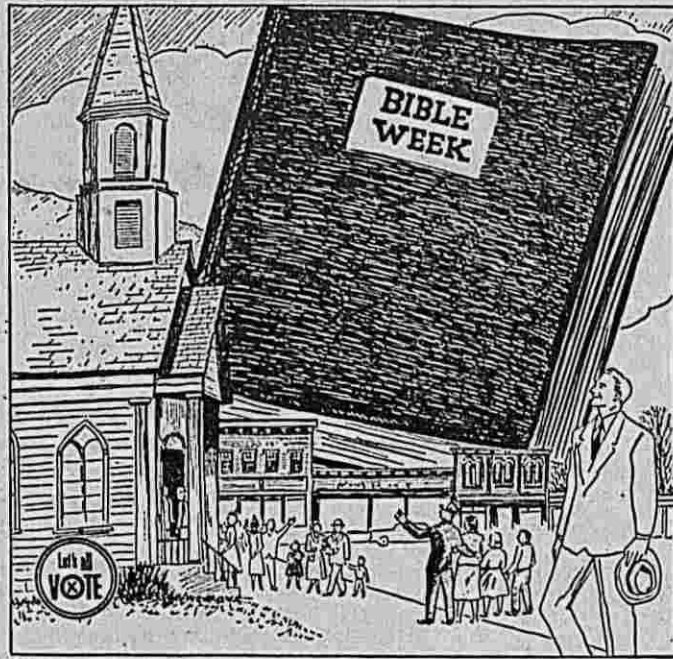

Masonic Past Masters' Night Set For Saturday

Sequoit Lodge, 827 A. F. & A. M., will hold its annual Past Masters night this Saturday, October 20, at the Sequoit Masonic Temple.

Refreshments will be prepared and served by members of Antioch Chapter Order of Eastern Star with Mrs. Clarence Larson as chairman.

Mrs. Alice Anderson of Chicago, returned home Wednesday after spending several days with her son Elroy and family.

FOUNDATION OF INDIVIDUAL AND NATION

Town Board Passes Resolution To Oppose Abolition of Town Tax Collector at Nov. Election

Mrs. Gertrude Dunning Antioch Resident, Dies After Long Illness

Funeral services for Gertrude W. Dunning, 57, 1060 North Main St., were held Monday afternoon at the Strang Funeral Home. Mrs. Dunning passed away Thursday at 11:05 at the Lake County General hospital, following several months of illness.

She was born in Chicago, January 19, 1899 and with her husband J. A. Dunning moved to Antioch in 1937. Mr. Dunning preceded her in death March 28, 1945.

Mrs. Dunning was a member of the Antioch Methodist Church, Olson Camp, Royal Neighbors of America, Antioch Rebekah Lodge and the Antioch Business and Professional Women's Club. For many years she was employed as sales lady at Williams Department Store. There are no survivors.

The Rev. Howard C. Benson of the Antioch Methodist Church officiated at the service. Interment was in Home Oak cemetery.

Registration for Adult Education at Wilmot To Be Held Oct. 25

Registration and organization will take place at 8 p. m. Thursday, Oct. 25 in the formation of classes in adult education at Wilmot High school.

Part time and adult classes in agriculture will meet regularly on Tuesday evenings starting Oct. 23. The classes will meet from 8:30 to 10 p. m.

Stella Patrick will teach rug-hooking from 7 to 8:30 p. m. Thursdays and Ruth Miller will conduct a class in clothing at the same time.

Chester Knight also will conduct a class on Thursday evening in woodworking while Marlin M. Schnurr will use the 7-8:30 hour Thursday to teach economics and government and taxation.

Coach Frank Bucci will teach a class in health and physical education from 7:30 to 9:30 p. m. Wednesdays.

Deap Children Suffer No Ill Effects From Blood Pressure Pills

Doris and Gerald Dean, twin children of Mr. and Mrs. Arthur Dean of Route 83, north of Antioch, were rushed to a hospital for treatment this morning after it was discovered that they had taken about thirty tablets of a new drug for high blood pressure.

The twins, about eighteen months old, had climbed up and discovered the pills. Fortunately it was found out almost immediately.

The Antioch Rescue squad was called and members of the squad rushed the infants to a hospital, where they were treated and it was found that they had suffered no ill effects.

Louise Chase in Hospital
Mrs. Louise Chase, residing on the Samuel Ries farm, Rte. 173 at Deep Lake Rd., was taken by the Antioch Rescue squad to the Lake County General Hospital in Waukegan Tuesday suffering from a heart ailment.

Board Votes To Retain Present System of Collection

Of the five referendum ballots which will be presented to voters on November 6th, the referendum to abolish the office of Town Tax Collector in Lake County, and transfer the duties to the County Treasurer's office is attracting the most interest in the last few weeks before the election.

Last week the County Officials organization took a stand against the move and the latest group to oppose the referendum is the Antioch Township Board which passed the following resolution at a special meeting on Thursday, Oct. 11:

"RESOLVED, That since the Township of Antioch has received the excess commission of the Township Collector to the very great benefit of the taxpayer, and that the Township Collector has operated at peak efficiency at a minimum cost to the taxpayer, the town board of the Township of Antioch, at its regular meeting, opposes the abolishment of the office of Town Collector."

(Signed) L. E. MURRIE
Supervisor

Supervisor Lloyd Murrie, chairman of the town board told newsmen that this action was taken for two reasons, first, that passage of the referendum would take away a part of home rule, and an elective office of the town, and second, that it would rob the township of approximately \$6,000 annually, which would have to be replaced by extra taxation. In addition, he added, each taxing body, including all schools, villages, fire protection districts, and other taxing bodies, would have to levy more taxes to make up the difference in fees charged for collection of the taxes.

The town board urges that all voters vote "no" on the tax collector referendum, according to Supervisor Murrie, spokesman for the board.

New Firemen's Auxiliary At Trevor Will Stage Wrestling Bout Sat.

The Women's Auxiliary of the Trevor Fire Department, is planning a wrestling match of named wrestlers, including a women's match.

It will be held at Wilmot High School gymnasium, Wilmot, Wis., at 8 p. m. (CST), Saturday evening. The Auxiliary was organized in May. Its goal is to work hand in hand with the Trevor Fire department.

The entire proceeds of the match will be contributed toward the purchase of a reliable respirator which is desperately needed throughout this area.

Tickets may be purchased in Trevor from the Ladies' Auxiliary, Nelson's Merchandise, Trevor firemen, Jim's Service Station; in Antioch from Kelly's Tavern, Reeves Drug Store, Knickelbain's Tavern; all on Main st., Toepper's Food Shop in Camp Lake Gardens, Wenske's Food Shop, Adam's Tavern, Camp Lake.

Jim McMillen from Antioch will be one of the referees. His son-in-law, John Kakacek will be one of the wrestlers.

Everyone is invited. There is lots of room. No reservations, first come, first seated.

Hearings on Rezoning Show Trend of Area Toward Metropolitan

Changes From Farming to Business, Housing, Industry Are Petitioned

Three hearings on rezoning in the Antioch area are scheduled for hearing early next month at the Village Hall by the Lake County Zoning Board of Appeals.

Scheduled for 1:30 p. m. Friday, Nov. 2 is the petition of Herbert J. Gentzen of Indian Point to rezone a parcel of land on the south side of Grass Lake rd. from residential to I-one industrial to allow storage of lumber and building materials.

Set for 1:30 p. m. on the following Monday, Nov. 5 is the request of William A. Rosing for rezoning of a tract of farm land on Beach Grove rd. south of the village and west of Rte. 21 to R-4 residential. This is the new classification adopted last week by the Board of Supervisors. Rosing will continue his work of subdividing his property.

At 2 p. m. on the same afternoon the Board will hold a hearing on the petition of Richard G. Carson and Mary L. Carson to rezone from farming to business a tract 395 x 359.67 feet east of the California Subdivision fronting on the south side of Rte. 173.

Previously advertised is the hearing at the Antioch village hall at 1:30 p. m. Oct. 29 of the request of George Kovacevich of Lake Villa for rezoning of land on Rte. 45 a half mile south of Rte. 173 from farming to B-1, small business to permit him to operate a soda fountain and sandwich shop.

Set for the afternoon of Oct. 25 is the hearing at the Lake Villa village hall on the petition of John Romer, Lake Villa, for rezoning from R-4 to B property now occupied by a greenhouse. Such rezoning would permit continued use.

Music Directors Plan Spring Festival in Meeting Here Tuesday

Music directors of the Northwest Suburban Conference were guests of the principals and superintendents at their monthly meeting held in Antioch Tuesday.

There were 10 music directors and 14 school administrators at the luncheon meeting in which the former made plans for the spring music festival to be held April 29 at Grant High school.

John Hodge of Grant will serve as general chairman; Walter Leski, Glenbrook, will serve as band chairman and George Lantz, Elmhurst, as vocal chairman.

The teachers listed three band directors and three vocal directors from whom one each will be chosen to serve as guest-director at the festival.

County Board Places \$3 Bounty on Foxes

The Lake County Board of Supervisors acted on a recommendation by the Home Committee last week to place a bounty on foxes killed in Lake County. The bounty has been set at \$3.

The bounty on foxes was discontinued some years ago, because it was thought that the pests were stamped out, but of late years the foxes have been on the increase and a growing pressure to get rid of them has been felt from farmers and sportsmen. It is certain that the foxes are detrimental to wildlife, especially pheasants and upland game.

Persons who trap or shoot foxes may collect the bounty from any town supervisor by bringing in the scalp with ears attached.

Prince of Peace Parish Lake Villa, to Sponsor Turkey Festival Nov. 10

The second annual turkey festival and dance sponsored by the new Prince of Peace Parish at Lake Villa will be held November 10 at the Grayslake American Legion home.

The proceeds from this event will be for the new church and school building fund.

Albert Konitzer of Lake Villa is chairman and he is assisted by Ray Yancey, Robert Vaughn, Clarence Reed, Nate Belser, and John Tierney.

Ground will be broken for the new church within the next few weeks. The site of the church and school is east of Rte. 21 on Grand Ave.

FAIR QUESTIONS

A letter writer to the Wall Street Journal, Robert E. Bowyer, had something worthwhile to say about the bitter opposition of the major labor unions to the state right-to-work laws: "Do they (the unions) have so little sales appeal or so little to sell that they fear giving a worker the freedom of choice? Can it be true that the only way to keep old members and attract new ones is to use goon squads, special privilege laws and economic black-balling? Is their type of economic monopoly somehow different from that forbidden other enterprises? Are unions above all moral and civil law?"

It would be interesting if some union leader attempted to answer clearly and frankly those questions. None has yet.

END OF THE BIG TOP?

Many a heart was saddened by the announcement that the tour of the last of the great circuses had been abruptly ended in mid-season, and that the spectacle would not be seen again, at least in traditional form. Soaring costs apparently had made operation impossible.

The circus parade—finally destroyed by modern traffic—was as American as apple pie. And the circus itself brought color and wonder to all the Main Streets of the nation.

A thought expressed by the New York Herald Tribune will be echoed by millions of us: "But if the tent itself and its ranked wooden benches, its tanbark, its color and its whole atmosphere of impermanent fantasy, were to vanish forever into folklore and fading memories, it would be a tragedy of large proportions. Americans are ingenious. They pride themselves on it. Let's summon up that quality and save the big top."

A VOTING YARDSTICK

Before one gets carried away with enthusiasm by all the things political candidates promise to have the government do for us, it might be well to consider what has made this country what it is as a yardstick in making a choice between candidates.

Most of the social and economic gain in this country have come from the efforts and initiative of the individual and not from government planning: Fulton invented the steamboat; Bell developed the telephone; Ford built the first low-cost car; Franklin discovered electricity; Wright created the airplane; Whitney designed the cotton gin; and so on, ad infinitum. Without the work of the individual, we would still be living under a feudal system that allowed us only a bare existence. It is the accomplishments of the individual that have lifted us to

present levels—not the accomplishments of government.

Yes, American progress rooted in individual freedom. That points to a yardstick that can well be used in judging those candidates who would bring about a society where "do-all" government would reduce the individual to the status of a statistic.

GLAMOUR IN THE MARKET PLACE

"They're Putting Glamour in the Groceries." That is the striking title of an article appearing in a recent issue of the Saturday Evening Post. Handsomely illustrated, and written by Harold Mehling, it describes some of the innovations that are taking place in the nation's supermarkets—innovations that range from soft lights and sweet music to electronic checkout devices. All of them have one purpose—to make shopping both more efficient and more fun, and to put the customer in the best possible mood when she enters the store. They are also real community assets—Mr. Mehling quotes one store designer as saying, "Many of today's supermarkets are beautifying new neighborhoods and upgrading older ones."

The supermarkets, which deal primarily in foods, are not alone in the great story of retail progress. Every kind of store—chain and independent, large and small—is looking for better ways of doing things and more effective means of attracting customers. Every one constantly watches what is done by the competitors down the street—and then tries to out-do them.

As the old saying goes, competition is the life of trade. It is also the best friend the consumer has. It forces merchants, if they want to stay in business, to provide more attractive displays, higher standards of sanitation, a broader selection of goods and brands, and so on. It holds prices down, keeps profits to modest levels.

The American shopper gets all possible breaks.

THE FAMILY FARM

The charge that the family farm is dying and is destined to be almost entirely replaced by gigantic corporate farms has no basis in fact. Every objective study shows that the family farm is the solid foundation on which our agricultural economy rests—and that there is every indication that this will continue to be true.

However, the character of the family farm has changed.

The change was made inevitable by agriculture's technological revolution. The tractor, symbolically speaking, utterly transformed farming. It put it on a business basis. A substantial investment is now necessary, as is a high degree of operating efficiency. Numberless family farms have grown larger, too—primarily because modern equipment gives each man a far greater productive power than he had before.

In modern agriculture, there is less and less room for marginal farmers, with poor land, or the inability or lack of desire to deal with the conditions of today as against those of the past. Many of these farmers have left agriculture to enter industry—and they are better for it. The good farmer, on the other hand, has stayed with his land and enlarged, improved and conserved it. Like everyone else, he's had his ups and downs. But over the years he's done very well indeed.

Yes, the good family farm is here to stay. And efficient farm equipment is among its principal mainstays.

Deep Lake

Mrs. Millie Luehr, Correspondent
Eliot 6-4946

Mrs. Carrie Feldman is back home from the hospital and so is Robert Russ.

Adele Mohr, Ann Swanson, Mrs. Neilson and Ann Stetten dropped in on Jessie Schultz last Thursday to wish her a happy birthday. Her mother, Mrs. Hanson is spending several days with her and on Sunday her sister, Mrs. Jensen and daughter, Prindl, were her guests. Mrs. Helen Severson and Mrs.

Millie Luehr went shopping last Thursday and had luncheon at the Parkway. Also lunching there was Ebba Huber with a party of 27 given in honor of Evelyn Smith, formerly of Deep Lake, as a farewell luncheon. The Smiths are moving to California. Also Bunny Sanders and her lady friend lunched there. It looked like Deep Lake day.

Several ladies attended a style show last Thursday given by Hein's at the Lake Villa school. Proceeds went to the Prince of Peace church. They stopped at Edna Stevens' for cocktails.

Mr. and Mrs. Elmer Olson spent last Saturday in Chicago to celebrate their daughter's birthday.

The Ladies' Auxiliary will meet Friday at the home of Lee Stollenwerk Friday, Oct. 19. Hostesses of the evening will be Vi Winstead and Myrtle Weismantel. Mrs. Roger Proske will give a book review, "Inside Nantucket."

Saturday, Oct. 20, the Deep Lake Association will meet at Henning Johnson's. There will be election of officers, and a smorgasbord served.

Sunday, October 21, 9:45 a. m. Church School of all ages, 11 a. m. Layman's Sunday in the church. 5 p. m., Intermediate Methodist Youth Fellowship and 7 p. m., Senior Methodist Youth Fellowship. Project: Cleaning in the church.

Monday, Oct. 22, at 3:15 p. m. Junior Choir rehearsal; 8 p. m. Official board meeting.

Thursday, Oct. 25, 7 p. m. Senior choir rehearsal, 8 p. m. Commission on Finance meeting.

Mrs. Erick Larson, president of the Lake Villa P. T. A. announces the presentation of the Frank G. Hough Company chorus in a benefit concert Friday, Oct. 26. This fine chorus, under the able direction of Mr. Al Carlquist, will give an hour and a half concert in the school

gymnasium on Friday, Oct. 26 at 8 o'clock in the evening. Refreshments will be served after the concert.

Parents are asked to buy the two adult tickets which each child will bring home from school on Thursday. The child may then have free of charge the attached child's ticket. The P.T.A. wishes to finance several worthwhile projects for the school this year. A good attendance at this concert will make such projects possible and bring pleasure to the listeners.

Lake Villa upper grade children are invited to a P.T.A. sponsored roller skating party on Thursday, Oct. 18. Children will ride properly chaperoned school busses to Rollin' Wheels Roller Skating rink at Twin Lakes, Wis. Buses will leave the school at 8:30 p. m. and the rink at 10 p. m. Tickets may be purchased from teachers.

The next meeting of Royal Neighbors of Camp 460 will be

Tuesday, Oct. 27, at 8 p. m. All members must have masks, for a Halloween get together.

Mrs. Ann Nelson had Mr. and Mrs. Andy Krull of Tucson, Ariz., Mr. and Mrs. Herman Keisler of Twin Lakes, Wis., and Edna Cable as her dinner guests Saturday, Oct. 13. Later in the evening the five hundred club joined them for an enjoyable evening of cards.

What put the magic
in the new kind
of FORD?

The new Ford Fairlane 500 (118-inch wheelbase). Longer, lower, larger than many medium-priced cars, yet lower in price than most of them!

Here's what put the magic in the new kind of FORD!

It started with the "Inner Ford." When Ford planned this baby, they thought in terms of a car through-and-through new.

The wheels got smaller. This Ford is so new that even the wheels have changed. Now smaller and broader, they help you take off quickly.

The wheelbase got longer . . . so now you can choose between a Ford that's over 16 ft. long—or one over 17 ft. long!

The frame got wider. Side rails bow out to give a more stable, safer riding platform . . . a lower, sleeker silhouette.

The ride got smoother. With new suspension, new springing front and rear, the ride this new Ford gives is the smoothest ever.

The handling got easier. Poised and balanced like a panther, this car has swept-back front suspension that works its magic when you need it most.

The power got hotter. There's a wide range of Silver Anniversary V-8's to fit every horsepower need . . . plus a new Mileage Maker Six.

"Six or V-8 the going is great!"

The roof got lower. And it's designed to let you make the easy entries and graceful exits you've always known.

The body got quieter. It's the strongest body built for a low-priced car. No car in Ford's field has such generous sound-proofing.

The room got bigger. There's head room to spare for a tycoon-type hat. There's real stretch-out leg room, too.

The lines got sweeter. They have the "Touch of Tomorrow." Each graceful contour says, "Let's go!"

The style got smarter. With this new-look Ford you have a car that belongs anywhere! All Fairlane models look like hardtops.

The value got greater . . . the price is still Ford-low.

*A Special 370-hp Thunderbird 318 Super V-8 engine available at extra cost. Also, an extra-high-performance Thunderbird 318 Super V-8 engine delivering up to 285 hp.

SEE IT FOR YOURSELF!

So now you know the magic of the '57 FORD!

SOCIETY EVENTS

200 Parents, Visitors, Attend Open House at Antioch Grade School

Approximately 200 parents and visitors attended the Grade School P. T. A. meeting Monday evening. It was Open House and everyone had an opportunity to visit the classrooms and see what the children are doing and to talk to the teachers.

The Halloween parade will be held as usual, weather permitting. First and second prize will be awarded each room. After the judging the children will go to their rooms for refreshments.

The year book was distributed. After open house, refreshments were served in the cafeteria by the 7th Grade room mothers, Mrs. Donald Gable and Mrs. Wm. Ludford assisted by Mrs. Robert Brown and Mrs. Knute Lassen.

The next meeting of the P. T. A. will be Nov. 19.

High School Music Parents Will Meet Tuesday, October 23

Antioch Township High School Music Parents will meet at 8 p. m. Tuesday in the high school cafeteria. John Romer, president of the group will officiate at the meeting.

The music parents organization has as its aim the improvement of music and cultural advantages in the Antioch community. Tuesday's meeting is the first one of this season and all parents of music students and others interested in music in the community are urged to attend.

Business at this first fall meeting includes voting on the club constitution. After business a very brief and informal program will be presented by selected music students.

LOCAL CUB SCOUTS TAKE ADVANTAGE OF WEATHER FOR HIKES ON TRAILS

Cub Scouts, Pack 92 of Antioch have been taking advantage of the beautiful Indian Summer weather. Gert Ibsen's den took to the nature trails at Zion State Park for nature study.

Pearl Taylor and Bernice Kolar took their den to Deer Lake. A pack meeting for the cub scouts will be held at the grade school at 7:15 p. m. Oct. 20. An inspection will be held Oct. 23 at the Moose Home at 7:15. Parents are required to attend as well as the cub scouts.

MR. AND MRS. DAVIS OBSERVE FORTIETH WEDDING ANNIVERSARY

Mr. and Mrs. Elmer A. Davis of Indian Point celebrated their fortieth wedding anniversary on Sunday, Oct. 7 at The Country Squire, near Grayslake.

In addition to a group of relatives and friends, the couple had the company of their sons, Roger of Antioch, and Arthur of Arlington Heights, as well as Arthur's family, comprising his wife Marion, daughter Jary and son Jamie.

A poem was read to the guests which had been written for Mrs. Davis at the time of her marriage by Dr. Arthur Mills Corwin, whose secretary she was then.

Auxiliary News

Antioch Unit, American Legion Auxiliary held a regular business meeting Friday, Oct. 12. Mrs. Carolyn Horan, rehabilitation chairman, reported that four members of the Unit, Vera Hoflon, Dorothy Horan, Pearl Anderson and Carolyn Horan went to Downey hospital Tuesday afternoon, Oct. 9 and assisted by Winthrop Harbor Unit entertained patients in the women's ward with a musical program. Light refreshments and cigarettes were served to 80 patients.

Mrs. Horan also reported having taken to the hospital 373 magazines, 45 phonograph records and 16 lbs. of carpet rags. The pocket edition of Mystery and detective story books are in great demand among the patients at the hospital and anyone having some of these books and are willing to send them to the boys please call Mrs. John Horan.

Colors in Parade
The Antioch Unit with the Legion post had their flags in the parade of the high school homecoming Friday evening, Oct. 5.

Next Regular Meeting
The next meeting of the Unit will be a business and social meeting on Friday, Oct. 26, at 8 p. m. Mrs. Phyllis McMillen and committee be hostesses.

Francis Dörner, president of the senior class at Antioch High School underwent treatment of a separate shoulder bone. He had just returned from Urbana where he was a guest of the University of Illinois as a part of a program to acquaint high school students with the university's facilities.

Dr. and Mrs. Alan Thain and son have returned from a two-week vacation trip by train to Kallispell, Mont., Glacier Park, and Hungry Horse Dam.

Methodist Church Will Continue Two Services

The Methodist Church of Antioch will continue two services of morning worship every Sunday. The first service will begin at 9:30 a. m. and the second service at 11:00 a. m. Church school for three year olds through adults will meet at 9:30 a. m.

The Intermediate Youth Fellowship (seventh and eighth grade youth) will meet at 7:00 p. m. Friday, Oct. 19. The program will be "Operation Milk Pail," which will include a new filmstrip and plans for an action project to help youth overseas. Officers for the group will be elected.

The High School Youth Fellowship met at Wesley Woods, Methodist Youth Camp, on Lake Geneva, last Sunday at a planning retreat. Recently F. A. Lagerholm presented a movie and spoke about the need for a Country Health Department in Lake County. This will be one of the issues on the blue ballot in the November 6th election. The youth present became concerned about the need for better health standards and protection in Lake County and are making plans to inform people about the County Health Department issue.

The meeting this Sunday, Oct. 21, at 6:00 p. m. will feature a new film, "Far From Alone." The discussion following the film will be about drinking alcoholic beverages. Recreation and worship are also planned. All youth who are not a part of another church group are invited to attend.

STIEBERS RETURN FROM 3-WEEK TRIP

Mr. and Mrs. Jack A. Stieber and son, Jack, Jr., Felter's Subdivision, returned home recently from a three week trip. They visited the French Quarter at New Orleans; went along the Gulf of Mexico, and took a car-ferry to Galveston, Texas, and while at Del Rio, Texas, went to Acuna, Mexico. At San Antonio they saw the Alamo and at El Paso, went to Juarez, Mexico. They spent a week at the home of Dom and Angie DiOrto at Phoenix, Arizona. On the way home they stopped at many points of interest, the most interesting being at Springfield, Ill., and at New Salem, Ill., the village of Lincoln's youth.

Celebrate 25th Year

Mr. and Mrs. Anthony Scully of Main st. were honored on the occasion of their 25th wedding anniversary with a surprise party at their home in which 55 persons were present. Some guests came as far as from Highland Park and Chicago.

MISS CRIBB PLEDGED TO KAPPA DELTA SORORITY

Miss Arlene Cribb, daughter of Mr. and Mrs. Harlo Cribb, was recently pledged to Kappa Delta, national social sorority at Beloit college. Arlene is a graduate of Antioch Township High School, and is now a freshman at Beloit college.

PETERSEN'S TO HOLD OPEN HOUSE SUNDAY

Mr. and Mrs. Einar Petersen will hold open house Sunday, October 21, from 2 to 5 p. m. at their new home on Lake Antioch.

Mesdames Clyde Queen, Jane Powell and Helen Burke attended a Republican Rally and dinner Tuesday evening at Hank's Supper Club.

Plan Roller Skating Party

The Antioch Grade School Band Parents Assn. is sponsoring a roller skating party to be held from 8:30 to 9:30 p. m. Thursday, October 25 at the Twin Lakes Roller Rink. The party is open to everyone.

GIRL SCOUTS TO HOLD MEETING OCTOBER 28

Girl Scout neighborhood committee will hold a meeting at the Methodist Church, Tuesday, October 23 at 9:30 a. m. and plan to meet every fourth Tuesday thereafter. The Girl Scout cookie sale is now underway.

Woman's Club Plans Tag Day, Hears Murphy And Mrs. Lester Holt

Members of the Antioch Woman's Club made plans to assist Mrs. Thomas Pechousek with the local tag days for Retarded Children on Nov. 18-17 when the organization met on Monday afternoon at the Scout Home.

Representative W. J. Murphy was present and explained current election issues.

Mrs. Lester Holt of River Forest, a past president of the Oak Park Woman's Club, talked on "Old Cook Books" and began by describing some of the early Roman banquets which were most lavish, sometimes including peacock brains and humming birds tongues. She related that the early American cook book was filled with all manner of household advice such as recipes for medicines and etiquette for the young lady, wife and widow.

Mrs. Spiering, club president, will appear on WKRS at 1:05 p. m. Sunday in a panel discussion on a county health department given by the County Federation of Woman's Clubs.

Ron Homelburg is Member Of "Block I" at U. of Ill.

Urbana-Champaign, Ill. — Ron Homelburg, Antioch, Ill., is a member of the attendance committee for the "Block I," the spectacular flash card cheering section which appears at all University of Illinois home football games, and this year also will appear in Evanston at the Northwestern-Illinois game there.

An amazing variety of pictures and messages are presented by the "Block I." Each student sitting in the section has a series of large colored cards. On signal, he raises the card indicated on his instructions for the stunt number called.

The over-all pattern of the many cards ranges from a "Hi Dads" greeting to a dancing Indian or unfurling American flag. Memorial Stadium actually has two "Block I's," one in each stand and the two simultaneously doing the same stunt.

Students sitting in the sections do not know how the stunt appears until they see it as presented by the facing section. Plans and precise instructions for each participant are prepared by student committees, who also handle all arrangements.

GARDEN CLUB TO HOLD MEETING

The newly formed Antioch Garden Club will hold a meeting on Monday, October 22nd at the home of Mrs. Harold Jorgensen on Linden Lane. Mrs. O. I. Onstad is co-chairman.

Gram to Address Lions

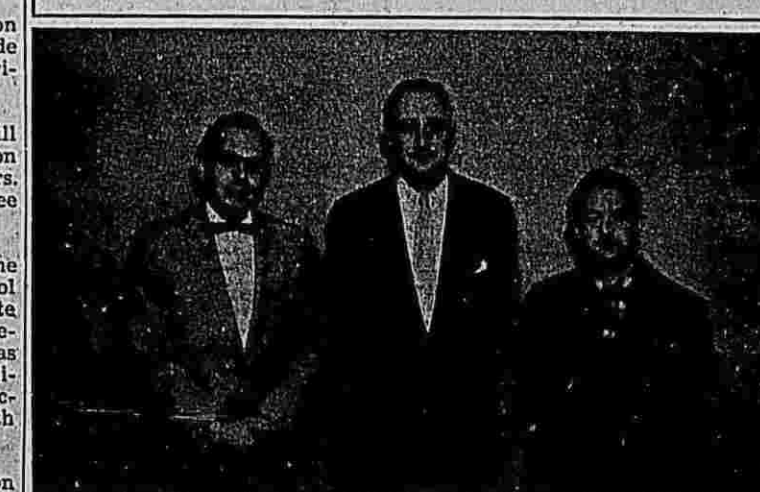

O. Arthur Gram, special agent for the Federal Bureau of Investigation will be the speaker at the dinner meeting Monday evening of the Antioch Lions Club at Smart's Country House. Non members may attend through an arrangement made by K. F. Dietrick. Reservations are to be made by calling Antioch 491.

Miss Ruth Kufalk, daughter of Mr. and Mrs. E. W. Kufalk and friend Miss Lynn Rider and Mr. and Mrs. Ernest Rider flew to Newport, Rhode Island Thursday, October 11th to attend the Military Ball and Graduating exercises of the Officer Candidate school, they were accompanied home by Ens. Charles Guthrie of Ithaca, New York. Mr. Guthrie was a house guest of the Kufalk family for a week.

G. A. A. Sponsors Party
Nearly 135 persons attended the Girls Athletic Assn. party Monday night at Twin Lakes Roller Rink. Most of the skaters went by school bus. Miss Nary Donovan and Mrs. Karen Baird sponsors of the association, served as chaperons.

Mrs. Margaret Keating of Oaklawn arrived in Antioch a week ago to make her home with her son, Henry Keating and family.

These Chairmen Will Plan Music Festival at Grant

Walter Leski, Glenbrook, band chairman; John Hodge, Grant, general chairman; and George Lantz, Elia-Vernon, vocal chairman, will be in charge of the annual spring music festival of the Northwest High School Conference to be held April 29 at Grant High School.

District P.T.A. Meeting Scheduled for Oct. 24 At Waukegan School

The annual fall conference of District 26 of the Illinois Congress of Parents and Teachers is to be held on Wednesday, October 24, at the Greenwood school, 1919 North avenue, in Waukegan. The district is composed of Boone, McHenry and most of Lake county and is one of the 33 districts in the state.

Mrs. Charles Fago, Winthrop Harbor, is district director, and is assisted in her duties by Mrs. Walter Hawkey, Belvidere, and Mrs. Roy E. Swanson, Waukegan.

Other members of the district board include: W. C. Petty, Lake County Superintendent of Schools; Richard Tazwell, McHenry County Supt. of Schools; and Charles Nihan, Boone County Supt. of Schools, who serve as advisers. Also R. L. Newenham, superintendent of schools, Zion, district legislation chairman; Mrs. William Schwager, Zion, district secretary, and Mrs. Kenneth Welton, Waukegan, district publicity.

"Accepting Our Responsibility for Better Schools" is to be the theme for both the afternoon and evening sessions of the conference. Among the speakers developing the theme will be Milton R. Litterst, Peoria, exceptional child chairman, ICPT; Harold Sohrbeck, East Moline, ICPT, treasurer; and Edward H. Stulken, Oak Park, ICPT vice-president. Mrs. Robert W. Nelson, Libertyville, third vice-president of the Illinois Congress will moderate the evening panel to be participated in by the Messrs. Nihan, Stulken, Sohrbeck and Litterst. Mrs. Charles Johnson, McHenry, assistant magazine chairman will also be on the program, along with Mrs. Harry P. Stinespring, Jr., district scholarship assistant.

All schools in the district are invited to the annual conference, and are reminded to have dinner reservations made with Mrs. Donald Ross, 1841 Poplar st., Waukegan, by Saturday, Oct. 20. Publicity chairmen are asked to bring scrapbooks of the past year to the conference where they will be evaluated by Mrs. Welton, asst. district publicity chairman, and Mrs. Samuel Martin, conference publicity chairman.

125 Students Attend Free Bowling Clinic; Form 22 New Teams

The Antioch Recreation alley was a busy place last Saturday morning when about 125 students between the ages of 10 and 17, reported for the Free Bowling Clinic given by Mrs. Mary Jane O'Donnell of Waukegan, the Northern Ill. representative of the American Junior Bowling Congress.

Many of the parents also attended.

Everyone seemed favorably impressed, not only with the many instructive and helpful bowling hints given by Mrs. O'Donnell, and the way she conducted the school, but also with the attention given by the young folks, and their patience while all of them were given a chance to try swinging the ball, approaching the foul line with correct foot-work and co-ordination, and other principles of the ten-pin sport.

From present indications, there will be 12 teams of high school students bowling Saturday forenoon at 10, and 10 teams of Bantams — grade school students — at 1 p. m. every Saturday. Besides these, there will be either four or six teams of High school students who will bowl after school on Tuesday.

New Type Report Card For A.T.H.S. Students Will Be Issued Oct. 24

A new report card for Antioch High students will be introduced at the first six weeks grading period October 24. The newly adopted reporting system is not a revolutionary change over the existing card. A new card has been developed because several parts of the existing card have become obsolete and are no longer of value to pupils and to the school.

The use of letter grades will be continued. The aspects of the new card are as follows:

(a) A single card instead of the booklet.

(b) New cards issued for each semester.

(c) The card is sent home the same day that grades are recorded.

(d) The card is small in size so that it can be carried in a pocket or purse.

(e) A space is provided for the final semester examination grade.

Teacher committees have been studying carefully the various kinds of grading systems used by other schools when reporting to parents on the progress of their children in school. It is from this study that a card has been developed and adapted to the Antioch High School.

The complete staff and the Board of Education have officially sanctioned the new card for introduction October 24.

Lions to Hear FBI Man

Antioch Lions will hear O. Arthur Oran, special agent of the Federal Bureau of Investigation, at a meeting Monday evening at Smart's Country House.

Scientist Would Make Mink Possible For Every Woman

NEWARK, N.J.—If a Rutgers scientist has his way, the women of America may find themselves up to their ears in mink!

Dr. John M. Cross, professor of pharmaceutical chemistry, recently made the first analysis of ranch mink fat and found it has several characteristics of interest to cosmeticians.

There's the catch, ladies. The Cross "coat of mink" is the kind you rub on—a "Mink No. 5" of sorts. It won't keep you warm, but you'll sure smell expensive in it.

Dr. Cross' study came about in this way:

One of New Jersey's mink ranchers complained that in skinning the animals his hands became so soft and "lady-like" from contact with the mink fat that they were always sore when he had heavy work to do.

The rancher's wife saw nothing wrong with "lady-like" hands—on ladies, that is—and suggested that the local pharmacist might advise them on the fat's commercial value. Sensing a basic research job, the pharmacist referred the mink man to Dr. Cross.

The Rutgers professor was immediately interested in analyzing the grey-white mink suet which is so easily renderable that body heat melts it to a clear yellow oil while it is being held in the hand.

He conducted a standard battery of 12 characterization tests on the mink oil and his results aroused the curiosity of both scientists and practical cosmetic manufacturers.

Two items were of special interest, the fact that the oil has some hormone-like material which may be valuable, and its great ease of penetrating the skin.

Old-Time Ferry Passes From Scene

WASHINGTON—Shawneetown, Illinois, recently said farewell to its 140-year old ferry that helped to open and people the West.

A new bridge now spans the Ohio where the ferry long offered the only crossing. Here, where the wide river sweeps downstream below the joining of the Wabash, the path to the frontier came a century and a half ago.

Shawneetown itself is no longer directly on the river. A century of floods finally compelled the town to move in 1937 to a safer site some four miles inland. But even during disasters that rolled water across the 60-foot levee, the ferryboats continued to run, plying across half-submerged farms, dodging floating houses, barns, and uprooted trees.

Facing Kentucky across the river, Shawneetown was settled about 1800 by pioneers from Virginia who paddled down the Ohio to trade with the Shawnee Indians.

Atomic Reactor Plant Demonstrates Power

WASHINGTON—The successful conclusion of an unprecedented power demonstration by an atomic ship propulsion reactor was recently announced by the U.S. Atomic Energy Commission.

The nation's first practical reactor power plant—land-based prototype of the Nautilus at the Commission's National Reactor Testing Station in Idaho—was routinely shut down at the end of what is believed to have been the longest full power run ever completed by any type of propulsion plant—land, sea or air.

On a single charge of uranium fuel (and using only part of that charge) the nuclear reactor operated at an average power of 100 per cent for more than 66 days and 66 nights. The test was designed to prove the reliability and stamina of pressurized water reactors for ship propulsion. The prototype of the reactor now in the Nautilus met the most demanding requirements which could be placed upon it.

Leaves of Earliest Palm Are Discovered

WASHINGTON—There were flowering plants on earth at least 160,000,000 years ago.

Finding of fossil leaves of an apparently quite primitive palm, the earliest yet known, has been announced by Dr. Roland W. Brown, paleontologist of the Geological Survey.

The fossil imprints of palmlike leaves were found in a geological formation in southwestern Colorado dating from the so-called Triassic period of geological time.

Spuds, After All

PITTSBURGH—Prisoner in the Allegheny County jail are getting potatoes in their Irish stew after all.

County officials, alarmed at the high cost of potatoes recently considered making Irish stew with rice. But, after considering what Irish stew would taste like without Irish potatoes, they decided to pay the price after all.

These Cooks Would Have Put Grant Bulldogs in the Soup

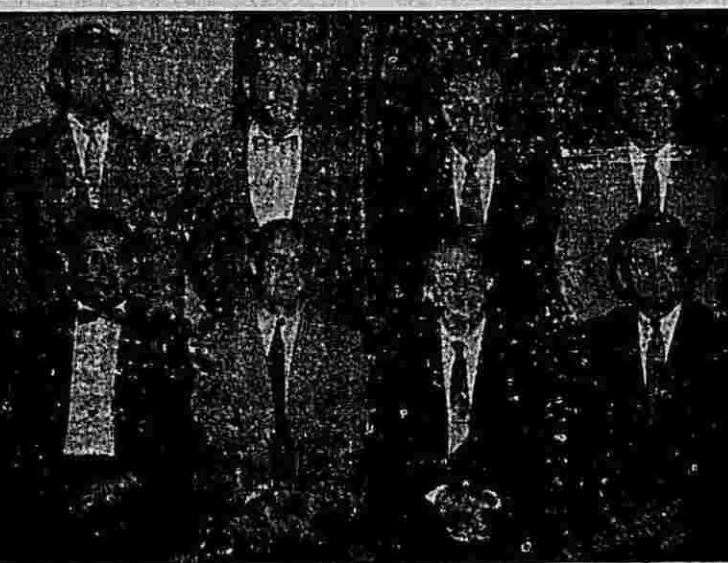

The cooks who provide the good food at the Antioch Township High School cafeteria, had their own idea as to how they would handle the Grant Bulldogs at the Homecoming as shown in this float, which they entered in the parade. Left to right, Mrs. Virginia Walters, Mrs. Eva Gaylord, Mrs. Helen Carey, Mrs. Viva Beattie, and Mrs. Jeanette Brown.

Officers of Northwest Suburban Conference

Officers of the Northwest Suburban Conference this year are, left to right, Thomas Montgomery, Grant, treasurer; Gerald McElroy, Palatine, president; and Elmer Icenogle, Wauconda, secretary. This is the last year in which Palatine, Fenton, and Glenbrook will participate in this conference. They will become members of the Tri-County conference and Warren, Lake Forest, and Round Lake will take their places.

Conference Administration Heads Meet Here

Principals and superintendents of the Northwest Conference who met at the Antioch High School Tuesday at their monthly discussion and luncheon are, left to right, front row — Herbert Wesner, Principal at Elmhurst; Dr. Norman Watson, superintendent at Glenbrook; Gerald A. McElroy, principal at Palatine; Dr. Martin Zukerman, principal at Fenton; back row — Richard Warfield, superintendent at Wauconda; Albert L. Dittman, principal at Antioch; Wade L. Eberly, principal at Grant; and Walter Nesheim, assistant principal at Grayslake.

New 1957 Hudson Hornet

Hudson Motors 1957 Hornet V-8 models, two inches lower in height, feature a new, more powerful 255-horsepower V-8 engine and many styling refinements. Shown above is the new Hornet four-door sedan available in super and custom models. Also offered is the super and custom two-door "Hollywood" hardtop. The new Hornet V-8 engine has a compression ratio of 9.0 to 1 and a 327 cubic inch displacement. New styling refinements include modern rear fender fins, dual-fin front ornaments, silver textured aluminum panels on custom models, and new 14-inch wheels.

On Lawrence Honor Roll

Nancy Rentner, 375 Harden St., is among 98 Lawrence college students of all classes who have been named to the academic honor roll on the Appleton, Wis., campus. A grade point average of 2.25 on the basis of 3.00 is required for the honor ranking, computed on the basis of last spring's standings.

Miss Rentner is the daughter of Mr. and Mrs. Elmer Rentner of Antioch.

A family potluck supper was held last evening at the Methodist church. Dr. Birger Dahl, new district superintendent, was present and discussed matters pertaining to the church.

Dairymen report that young calves need water in addition to the daily milk allowance. Lack of water may be responsible for limited hay consumption.

Indian Summer Grass Fires Give Autumn Haze To Antioch Area

Indian Summer and grass fires were much in evidence in the Antioch area this past week.

Arriving earlier this year and with but very little cold weather interlude, the warm weather threatened temperature records and set the stage... for flaming colors and flaming grass.

The Antioch Fire department had eight grass fire calls over the weekend.

Only one-tenth of an inch of rain fell up until yesterday, according to Cooperative Weather Observer Roy Kufalk. The area already seven inches behind normal in amount of rainfall continued to become dryer and dryer. The maximum temperatures were between 70 and 80 for six days.

The beautiful fall colors of the woodlands and the brown of the marshes became at the same time a potential gigantic bonfire depending on the amount of carelessness of persons burning leaves or trash.

At Lake Villa Sunday, burning leaves ignited a garage at the rear of the Albert Kappe property on Cedar Ave., destroying it and some contents with a loss estimated by Fire Chief Irvin Barnstable at \$2,000. A car was removed from the garage but tools and lawnmowers were lost.

Lake Villa firemen too had to fight grass fires over the weekend.

Antioch firemen in addition to fighting grass fires were busy taking first aid training. Twenty-five members were present Monday at the first of the 10-week series of lessons.

Reservist May Join Ready Reserve Troop

Until July 1, 1957, the eight year obligated Reservist who upon conclusion of his period of active duty is released from Active Duty after August 3, 1955, may join a troop program unit of the Ready Reserve, as provided by Section 263 (b). Armed Forces Reserve Act and by satisfactorily participating for period of one year in the scheduled drills and 15 days Active Duty for Training of the unit will complete his required service in the Ready Reserve and thus render himself eligible for transfer to the Standby Reserve. A Standby Reservist can be called into Active Duty only through an Act of Congress. Additional information regarding this Armed Forces Reserve Plan can be obtained by contacting the Waukegan Army Reserve Training Center, 325 W. Washington St., Waukegan, Ill., Monday through Friday between the hours of 8 and 4:30 and Saturday mornings from 8 to 12. Tel. Ontario 2-1125.

MRS. SCHROEDER HOME FROM HOSPITAL

Mrs. Gladys Schroeder of Petite Lake, returned home recently after spending two weeks at St. Theresa Hospital, where she underwent surgery.

It is a fact that consumers of electricity served by REA utility companies are now using more in history.

EDDIE the EDUCATOR says

A child in good physical condition does better school work. He should have a thorough examination before school opens.

State and Local Capital Outlays Set New Record

NEW YORK—With expansion of highway and school systems setting the pace, State and local governments combined have spent a total of almost \$60 billions in the 1947-55 period as capital outlays on public works, according to data made public jointly by the U.S. Departments of Labor and Commerce.

These capital expenditures for the last nine years added up to about as much as the total State and municipal spending on all public works for the four and one-half decades from the turn of the century through World War II. Higher prices, of course, represent an important influence in magnitude of the spending figures today as compared with the past. Two other major factors are the spectacular growth of population, notably in the suburbs, over recent years, and the abnormally low level of public works spending during the Second World War.

The level attained by State and local capital expenditures has been a significant influence on the economy and its expansion. This is particularly true with respect to construction, which has been taking about 85 cents of every dollar of State and local capital expenditures in recent years.

The impact on the capital market also has been substantial. In the early post-World War II period, State and local governments combined borrowed less than half their annual capital expenditures in each of those years. The borrowing proportion was up to a new high of about 60 per cent in 1955, and came to an estimated \$6 1/2 billions of new funds exclusive of a substantial amount of additional borrowing by State and local governments for other than capital outlays.

More Workers Than Labor Figures Show

NEW YORK—The total working population of the United States, counting everyone who does some remunerative work during the course of the year, is millions greater than the regular employment of labor force figures show.

Data compiled by the U.S. Bureau of the Census show that at least 75 1/2 million different persons worked at some time all or part of last year. This record total is more than 12 million greater than the

monthly average of 63.2 million persons who were reported as employed in 1955. It tops the whole civilian labor force, which averaged 65.8 million persons for 1955, by close to 10 million.

The figures on the total number of workers in the United States are obtained by the Census Bureau from special surveys covering the work experience of the population 14 years old and over during the course of a year. The figures exclude persons who had worked during the year but who had entered the Armed Forces, emigrated from the country, or died before the date of the survey.

Roentgen Tube Placed In National Museum

WASHINGTON—One of the first X-ray tubes employed by Wilhelm Konrad Roentgen (1845-1923) has been placed on permanent exhibition at the U.S. National Museum, Smithsonian Institution. The tube was purchased from a private owner in Germany and presented to the Institution by the General Electric's X-ray Department of Milwaukee.

It was Roentgen, professor of physics at the University of Wurzburg, Germany, who on November 8, 1895, discovered a new radiation that could penetrate wood and other dense objects. These rays were called "X-rays" by Roentgen on account of their unknown nature, but they are now also known as Roentgen rays after their discoverer.

Cats Are Animals Most Subject to Anemia

CHICAGO—Of all the domestic animals, the cat probably suffers most often and most severely from anemia.

Cats have an ability to hoard their forces under conditions of limited oxygen uptake, and veterinarians report that often a severe anemia may develop in a cat before there are definite symptoms to attract the owners attention.

Infection seems to be a frequent cause of severe cat anemia—more so than in other animals. Indications are, veterinarians say, that dietary factors have only a minor role in the problem.

Exciting Time

MARION, Ark.—Fast action was seen here when an armed bandit took \$5,000 from the Citizens Bank and fled in an automobile. The bandit encountered two police cars, had a tire on his auto shot out, crashed in a ditch, and was captured—all in 20 minutes.

Health Talk

THE COMMON COLD

If the virus believed to cause the common cold could be trapped, millions of hours a year in absence from work would be saved, as well as millions of hours of suffering. But until the research laboratory yields the answer, the common cold is still with us and apparently becoming more common than ever, the Educational Committee of the Illinois State Medical Society points out in "Health Talk."

The common cold is as baffling as the elusive virus believed responsible for it. While the symptoms in the young, middle-aged and old are alike—sore throat, fever, dripping nose and inflamed eyes—the source of the infection seems to vary.

Chilling, exposure to sudden weather changes, lack of sleep, fatigue, drafts, irritating dusts and gases, worry and anxiety are all factors linked with the common cold. When the body resistance is low, and its natural defenses weakened, the crafty virus sets up housekeeping. What happens? One of the most miserable afflictions to beset man develops.

Aches and pain are associated with the cold. You can't localize them. You ache all over. You sneeze—not once—but several times. You have trouble breathing. Your nose drips mucus and becomes sore and inflamed from "blowing." Your eyes look sick and watery. Your temperature goes up, and you may develop a cough. You not only feel sick, but are and look it. In other words, you feel and look like mess.

You may be one of those unfortunate whose susceptibility to the common cold includes a bout of laryngitis. You may lose your voice for a time, or you may acquire the total quality of speech that sounds like sand-paper being rubbed on sand-paper.

Causes of disease and answers for their prevention and cure are emerging from the research laboratory constantly. But the shift virus causing the cold eludes the scientific sleuths pursuing it. The antibiotic drugs, such as penicillin and aureomycin, have been tried with little success in the management of the cold. And they can be dangerous, too, since they do not seem to affect the virus causing the cold, but tend to interfere with the body's natural defenses. And, should secondary infection set in, their effectiveness is lessened.

How common are colds? A recent study showed that if you're average you can expect one cold a year; some of you will have three or four colds, while those of you forming the most susceptible group will have six. And the elusive virus doesn't stop with this common approach. Not only does

he leave you with a cold, but he sets you up as tended prey for the army of bacteria that cause pneumonia, meningitis, bronchitis, and sinus infections.

That is why you can't ignore the common cold. Bed rest is still the best care for this affliction. Your diet should be light and include

plenty of water or fruit juice. And it is better not to smoke.

Watch the humidity in your home and office. Your mucous membranes tend to dry in excessively heated rooms.

And stay away from others. Keep the cold from being common by keeping it to yourself!

Adult Education Evening School

1. Registration and organization—Thursday, Oct. 25, at 8 p. m. Meet in high school assembly. Classes will meet Thursday evenings, excepting physical education which will meet Wednesday evenings.
2. Fees—Wilmot High School District residents pay a \$2.00 deposit per course which is returned at the end of the class term if the student's attendance has been 75 per cent or better. Non-residents pay \$2 fee per course, which is not returned.
3. Students are required to purchase texts if needed and pay for the materials that they use.
4. All courses listed will be held provided that at least six enroll. Less than six the class may be cancelled. Courses not listed may be organized if requested by six or more.
5. Classes will be in session from 7 to 8:30 p. m.
6. Persons enrolling must be 18 years of age or over.
7. Regularly enrolled high school students will not be admitted without a note of approval from high school principal.
8. The instructor, board of education or high school district assume no liability in case of injury to anyone while attending this evening school.
9. Classes in Agriculture—Part time and adult classes in agriculture will meet regularly on Tuesday evenings starting October 23. These classes will be in session from 8:30 to 10:00 p. m. No deposit fee will be required.
- Rug-hooking—Instructor, Stella Patrick; time Thursday, 7-8:30. The aim of this course is to teach women the fundamentals of rug-hooking. Pupils will be taught placing the pattern on the frame, hooking strips of wool into the burlap and the technique of shading flowers, leaves and scrolls. Lessons in dyeing will also be demonstrated.
- Clothing—Instructor, Ruth Miller. Time, Thursday, 7:00-8:30. This course is designed for women who desire sewing experience. Attention will be given to pattern layout, construction processes, and fitting. Women will be allowed to sew on projects suited to their ability. Projects may consist of pajamas, housecoats, simple cotton dresses, skirts, blouses, and children's clothing, sport dresses, house dresses, afternoon dresses, easy woolen dresses and formals.
- Woodworking—Instructor, Chester Knight; time Thursday 7:00-8:30. This course will offer an opportunity to make items requiring small amount of skill and will include projects of student's choice. Woodworking machines will be used where practical to do so. Re-finishing of furniture is encouraged for students. Advanced or experienced woodworking students will have the opportunity to use powered machinery for making furniture or cabinet projects requiring more shaping, glueing and fabricating of woods.
- Instruction sheets on wood selection, wood finishing and machine operation will constitute an important part of the course. Students will be charged for materials used.
- Miss Susan Pacey accompanied the Senior Class of Racine-Normal school to Eagle River, Wis., for a week.
- Mr. and Mrs. Harvey Brown spent Sunday with Mr. and Mrs. R. C. Magnusen, Lake Mills.
- Wilmot Methodist Homecoming turkey dinner will be held Nov. 4, at Wilmot high school lunch room. Servings will be at 12 noon and 1 o'clock p. m.
- Mr. and Mrs. Art Winn and sons, Chucky and Teddy spent Sunday with Mr. G. W. Lewis in Chicago.
- Mr. and Mrs. Arno Schmidt, Pleasant Prairie spent Wednesday with Mr. and Mrs. Art Winn.
- Mr. and Mrs. Arthur Lindgren, Elgin, spent Sunday with Mr. and Mrs. Frank Kruckman. Mr. and Mrs. Arthur Holtdorf, Silver Lake, were evening visitors.
- Mr. and Mrs. Earl Hyde spent Monday with Mr. and Mrs. Frank Kruckman.
- Gary Kunz shot a Canadian goose Saturday.
- Mr. and Mrs. John Ehlert, and Mrs. John Skidmore, Ringwood, Ill., called at the Kunz-Albrecht home, Sunday.
- Mr. and Mrs. Floyd Gyger, Sr., spent Sunday evening with Mr. and Mrs. Muriel Corris at Loon Lake.
- Mr. and Mrs. Frank Mecklenburg, Genoa City, were Sunday dinner guests of Mr. and Mrs. Frank Zarnstorff, Sr. Afternoon visitors were Mr. and Mrs. Matt Hahn, Kenosha, Mr. and Mrs. John Ehlert and Mrs. John Skidmore, Ringwood, Ill.
- Mr. and Mrs. Ervin Rasch, Barbara, Sandra and Austin, and Donna

Tilton spent the week-end at Eagle River, Wis.

Herman Ehlert, Mrs. Frank Ehlert and Mrs. Herman Frank spent Friday evening with Mrs. Peter Van Slochteren at Kenosha hospital.

Mr. and Mrs. Herman Frank spent Tuesday evening with Mr. and Mrs. Eugene Frank, Burlington.

Bid and Chatter club met at the home of Mrs. William Harms Wednesday afternoon. Mrs. Paul Ganzlin was awarded the prize.

W. S. C. S. of the Methodist church will have a one o'clock luncheon, bazaar and bake sale at the church basement Oct. 25 at Wilmot.

Mr. Percy Mizzen accompanied Mr. and Mrs. Joe Mitchell of Kenosha, instead of Mr. and Mrs. Wayne Mitchell as was stated recently.

Mrs. Herman Frank and Mrs. Dan Fleming attended Homemakers'

Leaders meeting at Bassett hall Thursday afternoon.

Mrs. William Harms, John Grabow spent Sunday with Mr. and Mrs. Rodelle Harms.

Mrs. Grace Schmalfeldt, Kansasville, spent Sunday afternoon with Mrs. Paul Ganzlin.

Mr. and Mrs. Donald Wienke, Lon and Brian, Mr. and Mrs. Herman Frank spent Sunday with Mrs. Oliver Balza and family, Rock Island, Ill.

Mr. and Mrs. Bill Schnurr and son, Park Ridge, Ill., spent Sunday with Mr. and Mrs. Marlin Schnurr. Mr. and Mrs. Wion Speaker and Elaine, Richmond, Ill., spent Saturday evening with Mr. and Mrs. Cyril Pacey.

Mr. and Mrs. John Ehlert, Mrs. John Skidmore, Ringwood, Ill., Mr. and Mrs. Earl Shales, Woodstock, Ill., Mr. and Mrs. Raymond Stoxen, Jr., and family, Mr. and Mrs. George

Feldkamp and family spent Sunday with Mr. and Mrs. Cyril Pacey in honor of Cyril Pacey's birthday.

Mr. and Mrs. Clark Austin, Denver, Colo., spent a few days with Mr. and Mrs. Ervin Rasch.

The Mothers Club public card party will be held at 8 p. m. Oct. 27 at the high school lunch room.

Mrs. Alex Schubert entertained Mrs. Matt Hahn, Floyd Hahn and daughter, Sherry, Richard Thornberg and Laurie, John Hasselman, Millie Darby, Donald Krueger, Howard Stamm, of Kenosha, Augusta Ehlert, Don Schmalfeldt, Joe Czebatar and Sherry, Charles Richards, Robert Rudolph and Stevie, of Silver Lake, Frank Albrecht, Ben Kunz and Fred Albrecht, Saturday.

Mrs. Gust Neuman, Mrs. Matt Thom, Paul and Michael, spent the week-end at Grivitz, Wis.

ANTIOCH, ILL.

LindenhurstEdith Boal, Correspondent
Tel. Elliot 6-4244

One of the newer sections of Lindenhurst has had the roads black-topped and graveled. It certainly does a lot toward dust control.

Thirteen children from the north section of Lindenhurst now attend the Antioch Grade school. This is an increase of eight children over last year.

The Senior Girl Scout troop of Venetian Village is having their annual Cookie sale.

Cub Scout Pack 88 is having a bake sale at Hucker's garage in Lake Villa on Oct. 27.

Janice Heidner celebrated her fifth birthday with a party which was attended by the local small fry.

Mr. and Mrs. Boal and family spent last week-end in Chicago visiting relatives.

New residents of Venetian Village are Mr. and Mrs. Roy Erickson, Mr. and Mrs. James F. Stevens and daughter, Mr. and Mrs. Lee J. Grobe, Mr. and Mrs. Thomas Emmett, Mr. and Mrs. Thomas Stevens and family.

New residents of West Milmore Venetian Village are Mr. and Mrs. Jack Huester.

New residents of Lindenhurst are Mr. and Mrs. Bill Puckett and family, Mr. and Mrs. George Brandt, Mr. and Mrs. Charles Christensen and daughter, Mr. and Mrs. Frank Schromek, Mr. and Mrs. Herbert C. Rathke and daughter.

Mrs. Jansky, Mrs. Willett, Mrs. Miklautsch, Mrs. Bressman and Mr. and Mrs. Boal attended the Antioch Grade School PTA meeting Monday night.

Chicago Motor Club Warns Of Carbon Monoxide Gas

Carbon monoxide, the motorist's deadly enemy, is a sneaking killer that strikes more often in cold weather, warns the Chicago Motor Club.

Even small doses of the lethal gas are sufficient to slow drivers' reactions enough to cause accidents, says the Motor Club. One part of carbon monoxide in 700 parts of air can be fatal, and one part in 1,700 parts of air can cause nausea. Because carbon monoxide is colorless, odorless and tasteless, it cannot be detected by the senses.

But there are danger signals to warn the motorist. While you are in an automobile, any drowsiness, headache or nausea should be heeded as warnings. Other symptoms are delayed braking reaction, faulty coordination and poor vision. When any of these reactions are noted, all occupants should get out of the car immediately, walk and inhale deep breaths of fresh air.

Carbon monoxide is produced by imperfectly burned motor fuel, and usually consists of about 7 per cent of the exhaust gases. An excess may be produced by faulty engine adjustment, but even the best adjusted engine may leak enough carbon monoxide to be fatal. The chief danger points are faulty gaskets, defective exhaust systems and clogged tail pipes.

You may be overcome by carbon monoxide without warning. To reduce this danger, Chas. M. Hayes, president of the Motor Club recommends the following precautions:

—Never run a motor in a closed garage or other unventilated enclosure.

—Always keep a car window open to assure air circulation.

—If you are sitting in a parked car for more than a minute or two, shut off the motor.

—Check your engine for proper combustion.

Antioch Twp. High School's Coaching Staff

Coaches in football at Antioch Township High School this year are, left to right, kneeling, Paul Kessenich, varsity coach; Lawrence Leon, assistant varsity coach; standing — William Baird, sophomore coach; and Donald Chappetta, freshman coach.

New Radar System To Make Tracking Hurricanes Easier

BOSTON—Earlier and more reliable storm warnings will soon be possible through new U.S. Weather Bureau radars that can detect and track hurricanes and tornadoes up to 250 miles away.

Under production are 39 new-type weather radars for the Department of Commerce—tailor-made to Weather Bureau and forecasting needs. The U.S. Navy's Bureau of Aeronautics will use eight of these equipments at Naval installations here and abroad. Delivery is scheduled to begin in early 1958.

The new radars will be linked into a planned nationwide network of radar weather stations to be strategically located throughout the country. By tracking a storm and relaying the findings from one station to the next without losing contact with the disturbance, meteorologists will be able to make a continuous check of storm progress and development.

Use of this network, Weather Bureau officials point out, will reduce to a minimum present difficulties in plotting of hurricanes as they approach the coast. It will also be used to help guide planes and ships either away from or safely through turbulent weather and severe storms.

Each of the new weather radars can instantly pinpoint the exact location of severe storms within its 200,000-square-mile coverage. The weatherman will see an entire weather front or storm systems at once, thus greatly improving his present piecemeal, intermittent roundup of the situation.

Caves and Mines Have Practical Use

UNIVERSITY PARK, Pa.—Properly air-conditioned caves and abandoned mines can serve as excellent storage places for military and industrial materials and for the preservation of food, says Elmer R. Queer, director of engineering research at the Pennsylvania State University.

When the U.S. Army Ordnance Corps decided to transform an abandoned limestone mine, near Atchison, Kans., into an underground storage depot for military supplies, it called on Queer and other Penn State staff members.

They supervised the design of a dehumidification system for the 14-acre section of the mine which had been used previously by the Commodity Credit Corporation of the Department of Agriculture as a cold storage place for food.

As the Navy learned in "moth-balling" its ships after World War II, controlled atmosphere is the key to successful long-term storage and preservation of military material, Queer says.

Employee Turnover Subject of Study

LOS ANGELES—Why do employees quit?

This is the question Dr. Wayne L. McNaughton, of the Graduate School of Business Administration, UCLA, has been studying in cooperation with a large aircraft company.

The company was concerned about its rate of employee turnover—5,600 separations a year from a work force of 10,000. The investigation covered all former workers who had been gone from two to 11 months.

One of the study's most interesting findings was that the reasons given by ex-employees on why they quit were quite different from those given by interviewers at the time of separation.

At the time of departure, most workers gave some "polite" reason such as "other employment" or "leaving the state." On the questionnaire, however, they emphasized such reasons as "poor pay," "bad supervision," and "slow advancement." This was true of 40 per cent of ex-employees questioned.

Interestingly, three out of four ex-employees who had quit after two months employment said they would like to rejoin the company.

New Dummy Helps in X-Ray Experiments

NEW YORK—Galatea is the intriguing name scientists have assigned a new testing dummy.

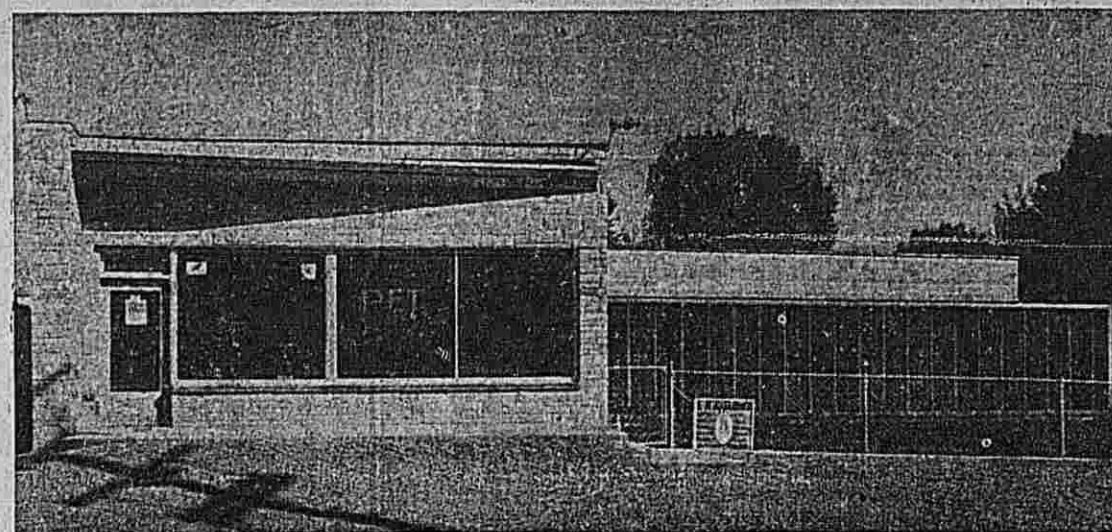

Galatea is man-made, has sponges for lungs, wood sheeting for a heart, and cotton interior—all constructed around the real heart of a human chest.

The model is being used by X-ray technicians in experimenting with techniques and films to improve the knowledge of radiology—the use of X-rays, radium and other radioactive substances in diagnosis and treatment.

More and More

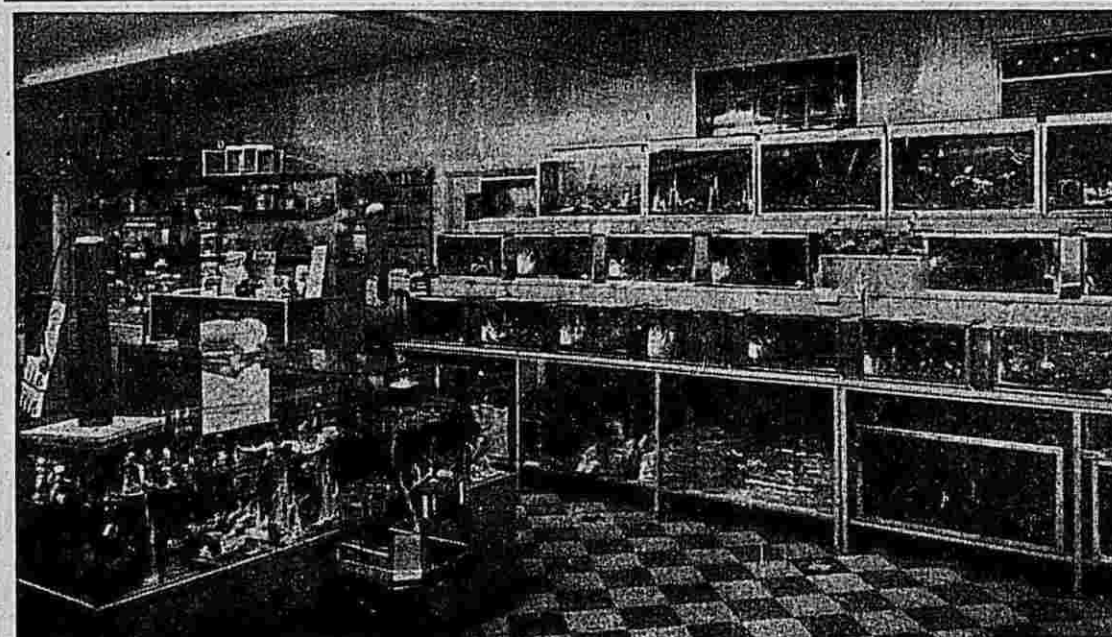

UNITED NATIONS, N.Y.—The population of the world increased 40,000,000 people at midyear 1955 over the previous year, the United Nations reports. The new estimated world population is 2,692,000,000.

Exterior View of L and R Pet Shop and Aviaries on Loon Lake Road

From a stock of 2,000 birds housed in the cage section at the right prospective customers of the L and R Pet Shop and Aviaries can make their selection of the tropical birds. The new building costing an estimated \$25,000 is situated near the Soo Line tracks on Loon Lake Rd. just east of Rte. 21.

Interior of L and R Pet Shop and Aviaries on Loon Lake Rd.

Tropical fish can be seen in the many aquariums at the right in this interior view of the L and R Pet Shop and Aviaries on Loon Lake Rd. Supplies and feeds for all kinds of pets are available.

New Pet Shop Opened On Loon Lake Road

Housed in a modern new building costing in excess of \$25,000 the L and R Pet Shop and Aviaries on Loon Lake Rd. just east of Rte. 21 has been opened to the public.

Heading the firm is Leo Rumsa, a resident of Loon Lake who has the aid of his son, Leonard H., whose experience in the pet shop business dates back 30 years.

When the shop opened recently it had for display about 2,000 birds which included parakeets, love, myhna birds and other varieties. These are kept in modern pens so that the customer has early selection.

Aquariums contain many varieties of tropical fish.

Dogs and cats will be for sale on order, and monkeys will be available later.

There will be feeds for all kinds of pets.

Mr. Rumsa came to Loon Lake as far back as 1925. His son in Chicago began sending him pets in 1945 and since that time he has made sales from his home. The big demand for pets in the area convinced the family that the time is at hand to give the Antioch area a modern shop.

Lake Villa Man Unhurt In Car-Pedestrian Clash

Alexander Easton, 32, an inmate of the Lake Villa German-Hungarian home, was not seriously injured last night, when the elbow of a driver struck him and threw him to the shoulder of the highway.

Easton was walking south on the pavement of route 59, near Nielsen's Corners, when the accident occurred. Don Erskine, Ingleside, was driving north and had turned to the left side of the pavement to pass a car. His elbow on the window sill struck Easton.

The Antioch Rescue squad was called, and upon arriving at the scene found Easton on the shoulder calmly smoking his pipe. It was ascertained that he was not seriously injured, and he was taken to the home in Lake Villa.

Here! New Task-Force 57 Chevrolet Trucks!

Performance-proved in a history-making test on the ALCAN Highway to Alaska

The Alcan Highway is the road where trucks grow old before their time. The road where gravel endlessly sledgehammers the life out of trucks. Where a fog of superfine dust chokes engines, and vicious ruts subject chassis to months of wear in a few hundred miles.

Six new '57 Chevrolet trucks, heavily loaded with cargo, roared north from Dawson Creek, B.C., through 1,520 miles of mountains and mire, rain and hail to Fairbanks, Alaska. Running around the clock, they made this tortuous trip—normally a 72-hour run—in less than 45 hours. As a special test during the run, two of the trucks went the entire distance without once having their engines stopped!

Come in and see how well these new Alcan champs measure up to your job.

Alcan fleet reports up to 18.17 miles per gallon! That's the mileage reported by the Camco Carrier, with Thriftmaster 6 and Overdrive (optional at extra cost).

FIRST WITH THE MOST MODERN FEATURES!

New 283-cubic-inch Taskmaster V8 is standard in Series 5000, 7000 and 8000, optional in Series 6000 at extra cost. Horsepower ranges up to 210 in Chevrolet's complete line-up of modern V8 and 6 truck engines.

Revolutionary Powermatic Transmission—exclusive with Chevrolet trucks! This six-speed automatic, designed specifically for heavy-duty hauling, is an extra-cost option in Series 5000 and 6000 and all heavy-duty truck models. Hydra-Matic is offered in 3000 and 4000 Series models at extra cost.

L.C.F. models outdate C.O.E. trucks in every way; yet offer all the traditional C.O.E. advantages.

Heavyweight Champs with Triple-Torque tandem are rated at 32,000 lbs. GVW, 50,000 lbs. GCW. Special features include built-in 3-speed power divider.

All the way in DRIVE range with Powermatic! This Powermatic-equipped 10000 Series tractor traveled the Alcan Highway in a single forward-speed range!

Only franchised Chevrolet dealers  display this famous trademark

Your home is
"on the spot"

A tribute to your good care! Worth more than ever before! Yet, it's a danger zone.

Dangerous because if your insurance is outdated... if you haven't taken those years of home improvements plus inflated values into consideration, a sizable portion of your home is unprotected.

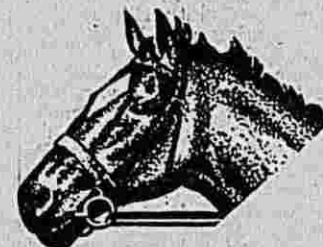

Better call this Hartford Agency for advice NOW!

To be continued?

End this drudgery
with an Electric dryer....the kind that's
fully automatic, fume-free, fast and thrifty!

A friend of ours calls her electric dryer "automatic sunshine" because electric heat is so bright and radiant.

You can wash when you want to and be sure your clothes will dry soft, sweet-smelling every time. No fumes, no dried-in-the-basement odor.

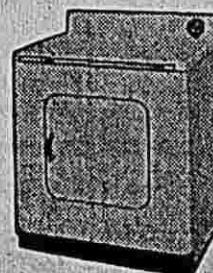

All electric dryers are fully automatic and give you the

driest heat there is. You can do a load of cottons in 25 to 30 minutes. (Takes only 6¢ worth of electricity!)

You'll notice that all the "no-vent" dryers are electric. Heat, lint and moisture just disappear down the drain.

Isn't it time you took a look at the new automatic electric dryers?

Electric Dryer Demonstrations—14 New Models
Daily 9-5, Electric Living Institute 68 W. Adams.
See them all, then see your electric appliance dealer.

Need new wiring to install your dryer? Ask your dealer about our Share-the-Cost Plan. It's the low-cost way to get the modern 100-amp home wiring you need for today's electric living appliances. The Plan is available to qualified home owners on terms up to 2 years.

If you own an electric range, you save up to \$25 on a new dryer! In fact if you have any 240-volt appliance, your home probably has modern wiring already. This means the complete, installed price of your new electric dryer will be less than any other kind.

Just 6¢ will dry a big load—electrically!

Mr. and Mrs. J. P. O'Haire from California and Mrs. Grace Turnock of Kenosha were Wednesday dinner guests at the Harrie Tillotson home.

Robert Finkel was home over the week-end from the University of Illinois.

Pvt. Stoneberg and his friend, Duane Hoover, both from Fort Campbell, Ky., spent the week-end and Monday with the Arthur Stoneberg family.

Mr. and Mrs. Arthur Andersen of Grass Lake and Mr. and Mrs. Gordon Wells, Jr., of Round Lake were Sunday dinner guests at the Gordon Wells, Sr., home. Sunday afternoon callers at the Wells home were Mrs. Mamie Cannon and her daughter, Mrs. John Porter and children, all from Gurnee.

The Rosecrans Ladies' Birthday club met at the home of Mrs. Nathan Phelps on Tuesday, Oct. 9. A potluck luncheon was enjoyed at noon. Mrs. Ray Laursen was the birthday lady for October. She was presented with a gift.

Philip Gould, his daughter, Mrs. Arthur Meyer and son Arthur from Rockford, Ill., were Sunday dinner guests at the Will Thompson home.

COUNTY ZONING NOTICE STATE OF ILLINOIS) ss. COUNTY OF LAKE)

TO WHOM IT MAY CONCERN:
PUBLIC NOTICE is hereby given to all persons in the Town of Antioch, Lake County, Illinois, that a public hearing will be held on November 5, 1956, at 2:00 P. M., in the Village Hall, Antioch, Illinois, relative to a proposal to vary the terms of the Lake County Zoning Ordinance, or to reclassify by amendment thereto, from the F-Farming District, to the B-1 Business District, the following described real estate, to-wit:

All that part and parcel of land lying in the Southeast quarter of the Southeast quarter of Sec. 12, Twp. 46 N., R. 9, East of the 3rd P. M., Lake County, Illinois, more fully described as follows: Beginning at a point where the South boundary line of State Aid Highway 173 intersects the East boundary line of the California Ice and Coal Company's subdivision; thence South on said East boundary line of said California Ice and Coal Company's subdivision a distance of 300 feet; thence East and parallel with the South boundary line of State Aid Highway No. 173, a distance of 359.67 feet; thence North a distance of 215 feet; thence North-easterly to a point on the South boundary line of State Aid Highway No. 173, which point is measured 395 feet East of the East boundary line of the California subdivision, thence West 395 feet to the place of beginning, all in Lake County, Illinois.

said above legal description being a corrective notice only, to revise the legal described December 2, 1955 hearing No. 965, and not additional property described herein.

As a result of the petition of RICHARD G. CARSON and MARY L. CARSON, which petition is on file and available for examination in the office of the below named Board, Court House, Waukegan, Illinois.

All persons interested are invited to attend said hearing and be heard.

Just out and just wonderful!

The beautifully new Bel Air Sport Coupe with Body by Fisher.

**SEE THE '57 CHEVROLET FRIDAY!
IT'S SWEET, SMOOTH AND SASSY!**

*Chevy goes 'em all one better—with a daring new departure
in design (looks longer and lower, and it is!), exclusive new
Turboglide automatic transmission with triple turbines, a new V8
and a bumper crop of new ideas including fuel injection!*

New right down to the wheels it rolls on—that's the '57 Chevrolet!

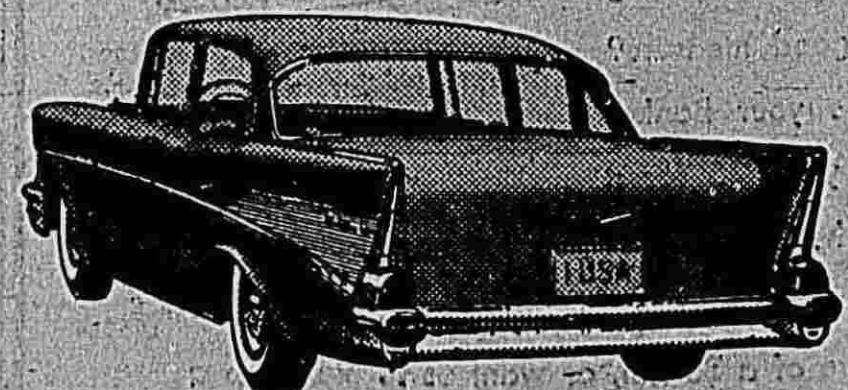

By now you know it's new in style. You can see that Chevy's longer, lower—and every inch a beauty.

But Chevrolet's new in lots of ways that don't show up in our picture. It's new in V8 power options that range up to 245 h.p.* Then, you've a choice of two automatic drives as extra-cost options. There's an even finer Powerglide—and new, nothing-like-it Turboglide that brings you Triple-Turbine take-off and a new flowing kind of going. It's the only one of its kind!

Come see the new car that goes 'em all one better—the new 1957 Chevrolet!

*270-h.p. engine also available at extra cost. Also Ram-jet fuel injection engines with up to 283 h.p. in Corvett and passenger car models.

The new Bel Air 4-Door Sedan—one of 20 striking new Chevs.

Only franchised Chevrolet dealers  display this famous trademark

Regular services at Millburn Congregational church October 21 include Sunday School at 9:00 a. m. and church services at 9:30 and 11 o'clock.

About 65 persons were present at the annual meeting of Lake County Congregational Christian churches held at the Millburn church Sunday evening. The Rev. George Aki, pastor of Christ Congregational church in Chicago, and Mr. Fenton Heninger of Waukegan spoke on the subject, "Our Christian World Mission." Business meeting was held and reports were read, and officers for the coming year were elected, as follows: Ralph Wilson of Half Day, chairman; Ed. Crittenden of Grayslake, vice chairman; Dolores Davis, secretary, and Norma Welch, treasurer, both of Millburn. The Mylo club had charge of refreshments.

Rev. L. H. Messersmith, Mrs. Emmett King, Mrs. Clifford Weber and Mrs. Carl Anderson attended the fall meeting of the Chicago Congregational association at Downers Grove Congregational church Tuesday.

Mrs. Eva Alling of Waukegan was a caller at the Frank Edwards home Sunday evening.

Mr. and Mrs. Clarence Hauser of Paris Corners spent Sunday afternoon at the Frank Hauser home.

A public card party will be held Saturday evening, Oct. 20, at 8 p. m. Pinochle, five hundred and bunco will be played. Refreshments will be served.

Mr. and Mrs. Eddie Hoffman and sons, George and Richard attended the Welch Musical Festival at Cambria, Wis., Sunday.

Baptismal services for William Charles, son of Mr. and Mrs. George DeHaan were held at the Gurnee church Sunday morning. Mr. and Mrs. Robert Clark are his godparents. Rev. and Mrs. L. H. Messersmith, Mrs. Ida Truax and Mr. and Mrs. Robert Clark and daughter were Sunday dinner guests at the DeHaan home.

The Study Group met last Thursday morning at the home of Mrs. John Bloom at Druce Lake. The next meeting will be with Mrs. Charles Lucas.

Mrs. Frank Edwards spent Friday at the John Edwards home in Libertyville.

Philip McDonald and sons, Philip and Bruce of Rockford were weekend guests of his father, A. B. McDonald.

Mrs. Charles Huff returned to Slades Corners, Wis., after several weeks visit with her daughter, Mrs. Frank Hauser.

The Men's Club is giving a Halloween party for grade school and

pre-school children at the Millburn church Friday evening, Oct. 20, from 7 p. m. to 9 p. m.

Mr. and Mrs. Edward Fitzner of Maywood were dinner guests of Mr. and Mrs. William Paulsen Sunday evening.

Mr. and Mrs. Harley Clark and son John were supper guests at the Walter Fontaine home in Gurnee Sunday.

Miss Judy Paulsen of Evanston hospital and Miss Phyllis Lahey were week-end guests at the home of their parents. Both girls attended the Warren Homecoming, football game and dance held at Gurnee High school Saturday afternoon and evening.
